

Christian Paterson,
Founder and CEO
Open Up

A respected open source strategy and governance expert with many years international experience working at the intersection of business, marketing and technology. Christian has the honour of being the president of OW2 after previously serving on its board in other capacities. Before founding Open Up, Christian was head of the Open Source Governance for Orange where he instigated the launch of the Good Governance Initiative, as well as the Open Source Accessibility Initiative. Through Open Up, Christian is assisting Huawei Europe with open source actions such as the Quick App Initiative. When not at work Christian enjoys current affairs, walking, gardening, and travel.

Academically, Christian holds neurobiology and cognitive science diplomas.
